# Stirling Festival of Sacred Praise

## PRESIDENT'S MESSAGE 2024

With plans well underway for the next festival, our 74th, we give thanks for a very successful one in 2023. What a joy to share with the participants and offer encouragement.

We continue to promote the same objectives of our Love for Sacred Praise especially among our young people. We offer competitive classes as well as non-competitive, encouraging family music-making, adults performing at all levels, and young children to share their talents. All classes are open to the public and we encourage you to come, sit a while and enjoy the talents of many performers.

We endeavour to secure highly qualified adjudicators who offer praise as well as helpful suggestions to encourage the participants to build upon the skills which God has given them. Their comments assist and enrich each participant or group. The festival experience helps not only in performing, but also promotes self-confidence; which in turn enriches each competitor in their day-to-day lives. Eligible participants, recommended by the adjudicators, are encouraged to advance to the Provincial Levels.

The Stirling Festival of Sacred Praise gratefully appreciates all donors who help to keep the festival running financially. We also need to express our gratitude to the volunteers and interested people who have supported us over the years. All support, financial or otherwise plays a very important part in the success we have enjoyed for 73 years.

The Festival concludes with a Stars Concert on May 3rd, 2024 which is the high point for many performers, as well as their families and supporters.

Check out our website <http://www.stirlingfestival.com>

We look forward to Spring 2024 and the 74th Festival.
